2016 Transparency Declaration

HRA Pharma Switzerland SàRL is committed to ensuring the transparency of its relationships with healthcare professionals and its engagement with patient organizations.

The below figures represent the aggregate costs incurred by HRA Pharma Switzerland SàRL during the period of 1st January - 31st December 2016. The aggregate totals are presented in CHF.

Transfers of values to Swiss Healthcare Professionals.

The transfer of values to healthcare professionals broadly fall into the following category:

- Fees paid for **services provided by healthcare professionals**. These can include fees for speaking or chairing a meeting; services may also include contributions to advisory panels in order to receive expert advice and feedback on key scientific issues for the company in its disease areas of interest.

Category	Number of individuals	Total Spent
Health Care Professionals:		
• Lunch during congress	1	CHF 23.--

Transfers of Values to Patient Associations and Health Care Organizations.

		Total Spent
Health Care Organization	1	CHF 7'500.--
Patient associations	2	CHF 2'000.--
