Publication of transfers of value to Recipients aims at reporting the values (monetary or in-kind) to HCPs/HCOs our company is collaborating / has relationships with, following the objectives and provisions included in the applicable codes.

Individual disclosures have been consented to by individual Recipients – such consent has been given to allow complying with the applicable codes that our company signed off to.

These publications do not grant a general permission for those accessing our website or the national platforms to undertake additional processing of the healthcare professionals’ data.

For a good understanding of the reporting included in our disclosures as published on this website, we refer to the Methodological Note that clarifies the meaning and content of the transfers of value reported.
